Dear Mr Mcenaney,

**Freedom of Information (Scotland) Act 2002  
Secondary School Senior Phase**

I am writing in response to your Freedom of Information request on the above matter. I am now in a position to provide you with the following response:

- 1. A list of senior phase classes which are single-level (i.e. Where only one qualification level, such as National 4, National 5, Higher or Advanced Higher, is being delivered in the same class)**

The number and proportion of multi-level classes in the senior phase where pupils are sitting more than one level of qualification are most likely to occur in departments with smaller numbers (music, art, design and technology, RMPS). Class levels can change on a session to session basis depending on uptake and when pupils need to change the level of qualification from that chosen at the start of term.

- 2. A list of senior phase classes which are bi-level (i.e. Where two qualification levels, such as National 4, National 5, Higher or Advanced Higher, is being delivered in the same class)**

See Q1.

- 3. A list of senior phase classes which are tri-level (i.e. Where three qualification levels, such as National 4, National 5, Higher or Advanced Higher, is being delivered in the same class)**

See Q1.

- 4. A list of senior phase classes which are quad-level (i.e. Where National 4, National 5, Higher and Advanced Higher are being delivered in the same class)**

See Q1.
